**Eagle Bible Study \$10 will help**

a woman attend a bible studies course and change her outlook on life. By learning about the power of God, women can change their attitudes on

donor dependency and poverty, and realize their own potential through Christ. With a Mothers' Union loan, her faith encouraged her to grow cassava, a root vegetable, which gave her an income and helped her create a safe environment for her family. **This bible program helps women like Fortunate understand God's love and lift themselves out of poverty.**

**\$10 will provide... workbooks for training facilitators and for participants in a Parenting group in Canada's North**

**\$15.00 will train . . .**

..a person in Tanzania to find practical solutions to everyday problems. One example of this could be helping someone learn farming techniques that work with the soil and the natural environment and ensure they have crops all year round.

**Help a mother get training and discover a new way to earn money and support her family.**

**\$25.00 will Give Them Wings. Provide some transportation for a Parenting Facilitator Training Course in Canada's North**

Travel is difficult and expensive but the fund is growing! Soon there will be enough for trainers to go to the North and provide transportation to bring a group together to become trained facilitators. **Then they will be able to have Parents Supporting Parents groups in their own communities.**

**\$30.00 Literacy and Numeracy**

In South Sudan, we helped Matilda to develop her

literacy and numeracy skills. These skills enabled her to start the first medical clinic in her region and even hire a doctor. Today, over 8,000 people can access healthcare for themselves and their children. Many of them are the most vulnerable and isolated in society, including widows. For them, the clinic really is life-changing.

*All of this wonderful change is thanks to Matilda, and the chance she was given to get her education & learn to read and write.*

Since Make a Mother's Day was first launched in 2007, more than \$2 million has been given to help support moms and families all over the world.

**\$50.00 Start a project\***

Need money to buy a coffee urn so you can start a neighbourhood coffee morning? or shelves to keep food bank items off the

floor? or buying tools and supplies to start a community garden.

A grant from this fund will encourage branches across Canada to begin or expand an ongoing project that will **make a difference in their community.**

**\$60.00** In Trinidad and Tobago, five homework centres are

invaluable to children and their parents.

The centres are run by Mothers' Union volunteer teachers and they support parents by providing a safe after-school environment. The volunteers, some of whom are retired teachers,

provide special assistance to students who need additional support. Improvements in the performance and attitude of the students have been recognised by volunteers, parents and teachers.

**Your gift can give members the resources they need to continue their invaluable work at these homework centres.**

*\$120 will enable mothers to set up a self-help Savings and Loan group.*

*This association in Rwanda, allows group members to save collectively and provide each other with loans to buy household items, start businesses, care for others in the community and build a secure future for their families.*

**Make a Mother's Day 2019**

**\*The Rev. Debbie Strickland Memorial Fund money comes from the sale of the \$50 Create a Project cards and from private donations of any amount. Branches may apply for a grant of \$50 or more for a project they wish to undertake to benefit their community. A description of the project would accompany the application request.**

## 'nurturing hope in a hurting world' is the theme for MAMD 2019

We have a range of gifts that will inspire women and girls to tackle the issues they face and be the positive change their families and communities need.

*These include providing opportunities to learn parenting skills or attend bible study classes that will benefit a mother and her family, teaching women and girls how to find their voice and speak about their rights, developing their literacy and numeracy skills, and providing much needed support to families.*

The faith of Mothers' Union's 4 million members drives them to take action against poverty and social injustice, working in 84 countries to bring lasting change.

Thank you for helping to nurture hope  
this Mother's Day -and throughout the  
year. Choose your gifts inside.

*Gifts range from just \$10-\$120.*

***Any gift can make a real difference.***
