

## Roll the Mothers' Union Dice

Organize members into small groups of 4 or 5.

Give each group one die and a copy of the chart below.

Members take turns rolling the die and answering the question that matches the roll.

Of course, breaking the rules is always allowed if you feel called to answer a question that you did not roll on the die!

#1 Name one blessing of your membership in Mothers' Union.	#2 Tell about a Mothers' Union experience that really touched your heart.
#3 Tell about a Mothers' Union member and how s/he has helped you in your faith.	#4 Tell about how Mothers' Union has made you think in a different way or act in a different way.
#5 Tell us what you think your branch could do to expand the work of Mothers' Union.	#6 Which of the Mothers' Union objects means the most to you?
